Treasurer Schmidt,

Thanks for sending this. Please see below a comment from our legal counsel. Would something like this be possible? Please don't shoot the messenger :)

"It would our preference if we have something in writing from legal counsel outlining the facts (i.e. use of private plane to visit x,y,z provided by KKR who has/may have business before her, etc.) citing the statute/rule that permits her to accept the plane ride along with [their legal counsel's] opinion that it does not violate any conflict of interest or fiduciary responsibilities."

Let me know what you think.

Thanks,  
Ari

I have confirmed with legal counsel, there are no issues and/or concerns related to my fiduciary roles and sharing a ride back to Bismarck in the Corporate plane.
