**Rex Porter**

VP of Sales and Business Development

August 7, 2008, Rex worked with Jeff in different groups

It is with great pleasure that I recommend Jeff and his Organization to the Professionals on LinkedIn. I have had the opportunity to work with Jeff on a few projects, and he has proven to be extremely effective, a consistent over achiever and delivers in clutch situations time and time again. He has the respect of many influential people both in the business sector and political arena, and he is recognized as the "go-to" guy in his field by all.
