# THERE IS NEW ENERGY IN OHIO AND NEW OPPORTUNITY FOR LEASEHOLDERS!

AMERICAN ENERGY  
PARTNERS

New opportunity is coming to Ohio leaseholders in Harrison, Guernsey, Noble, Monroe, Belmont and Jefferson Counties. American Energy Partners is interested in leasing your oil and natural gas mineral rights on very attractive terms and we then are committed to drilling your leases as quickly as possible. Please note: We are drillers, not lease flippers!

**Why lease with American Energy Partners?** Our leadership team has extensive Utica experience and a proven track record from the beginning of the play's development from their careers at Chesapeake. We are an energized, driven company of shale professionals. In partnership with Great River Energy, LLC, based in North Canton, Ohio, we care about the safety and environmental health of your community – and make rewarding your trust our #1 priority.
