If possible, I would not return the call. This is the result of my trying to arrange the Q&A with them. I have told her about everything off the record so she has no story until/unless it is confirmed by someone else.

Subject: Press call

My staff just received a press call from the Fargo Forum reporter in Williston calling to confirm the Petraus visit on Tuesday. Shannon didn't confirm or deny but took Amy's number.

How would you like me to respond?
