Re: Grandia Matter

Our Matter No. 1049-103

Dear Mr. McConchie:

My client and I have discussed your client's response to our letter of July 18, 2006 conveyed via your email of August 14, 2006. I find it disappointing that your client is not willing to correct his misrepresentations regarding my client. I trust that you have advised your client of the potential consequences of his actions both to himself and to those associated with his position.

Should your client reconsider his position, my client may be willing to reopen discussions on this matter. In the interim, my client shall consider our discussion concluded and shall pursue redress through other means.

Sincerely,

LIEBERMAN & BRANDSDORFER, LLC
