Verbatim Answers to Morton County Survey Questions

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
1	Standing Rock Tribe didn't want it to happen.	Yes	I saw some arrested at the mall when I was there. The Kirkwood Mall.
2	I feel sorry for the Indians because they are being manipulated by aggressive rednecks.	Yes	I had to shut down my own business in downtown Bismarck because of the protesters in the streets.
3	Originally the Indians said it was about the water and they have a water treatment plant.	Yes	I think the law enforcement has been overly fair so the ones being arrested probably did something very wrong and deserved it. The killing of all the animals is also very suspicious.
4	We are living in it. We see it all.	Yes	They attacked my uncle. They thought he worked for the pipeline, but he didn't.
5	We live through it every night and it's ridiculous. The pipeline just has to be done. Protesting isn't right, but that's their opinion.	Yes	Just that they are arrested, some charges get dropped, some go to trial.
6	I am against the protesters.	Yes	One was shouting at an officer. Three I saw last night are being tried because they rammed someone's pickup off the road. They're law breakers.
7	The news media is doing a poor job of showing what's happening. Everyone has the right to protest but when it gets violent, it has gone too far. Too much destruction.	Yes	They instigate violence. Burning cars and bridges, spitting at police, it appears on the news. There's a few Indians and the majority are white instigating violence. They're on Federal land and private property. It's time it ended.
8	Every hour there is something.	Yes	They've been arrested for trespassing.
9	I've heard from both sides.	Yes	A lot of them have been dropped. They don't have concrete evidence they're doing this except destroyed equipment.

1	No	Yes	No	No	Pertaining to the fact that it needs to stop and the pipeline should be built.
2	Yes	Yes	Yes	Yes	Just about why it's happening and when it will stop. It's not the locals that are the problem, it's the others coming into town to cause problems. I don't think they even care about saving the water.
3	Yes	Yes	No	No	Basically everyone is disgusted with the whole project. It seems like this is a political football being handled from out of state.
4	Yes	Yes	Yes	No	Scared to go to Bismarck. Today I was in Bismarck and we saw Homeland Security and that was frightening.
5	Yes	Yes	Yes	Yes	What they are doing is wrong and unfair.
6	Yes	Yes	Yes	Yes	About media bias the farther away you go, the more bias there is . The media doesn't understand this process. The Obama administration should put a stop to it. I's been a lot for this little county to absorb. I think it falls on Obama. I can't wait until the new president is in office.
7	Yes	Yes	Yes	Yes	What's happening and our concern about what could happen. They are paid protesters out here for their own purpose.
8	Yes	Yes	Yes	Yes	It's a pretty small county. It's the whole obsession in this county, 30,000 people
9	Yes	Yes	Yes	Yes	They should give it up and realize this pipeline is going in whether they protest or not.

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
1	Yes	I know one police officer and one person from the national guard that were there.	2. Probably guilty	The ones that were arrested probably did more violent things or damage.
2	Yes	I know some farmers and some deputies.	2. Probably guilty	Well it costs us about \$80.00 a day to house them in the jail. So I would hope that the ones getting arrested are the ones who really needed it or committed violent crimes or acts.
3	No	N/A	2. Probably guilty	From the information I have seen the issue is not the water. Peaceful protesting for anything is ok. But I don't think any police officer is going to arrest anyone just to arrest them and then have the charges dropped.
4	Yes	Only my (family member) who had his vehicle attacked because they thought he worked for the pipeline, but he didn't.	2. Probably guilty	I guess I think that they wouldn't actually be arrested if they weren't guilty.
5	Yes	Landowners I know have been affected.	1. Definitely guilty	From what you see, not all are innocent.
6	Yes	It's a small town so there are people I know. 2 blocks from where I live there was a protest.	2. Probably guilty	When I see someone hitting someone with their vehicle on TV, that would be guilty.
7	No	N/A	2. Probably guilty	The only thing I have to make judgment on is what I see in the media - that leads me to believe they are guilty.
8	Yes	Family and friends on their land.	2. Probably guilty	From what I've seen they are guilty of trespassing.
9	Yes	Some of the law enforcement.	2. Probably guilty	Because they've been arrested and I trust my law enforcement.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
1	Yes	I agree with both sides. I think the pipeline should be built, but I also understand the protesters concerns.	No I don't think so.
2	Yes	I think I am open minded and I don't care for getting vengeance or anything.	Well, I carry a gun now and I didn't before. I saw a bunch of people buying hundreds of dollars of tomahawks at Menards today. Hopefully Trump will take care of all of it.
3	Yes	I've been on a jury before and I'm aware that it has to be all fact based and there needs to be plenty of evidence.	Being ex-military myself I feel sorry for all the people in the service that are getting sucked into this. I don't think they really know what they are getting into.
4	Don't know	At first I followed everything very closely on the news and such. But now it has gotten so big and out of control that I just don't know.	No, I don't think so.
5	Yes	I'd have to hear both sides and see the evidence.	All I know is that it has gone on long enough. Someone is going to get killed, so they need to stop it once and for all.
6	Yes	I've been involved in this type of thing before, I know how the process works.	I think the people doing the most harm are radicals that are not even from North Dakota. People like Joe Stein, burning vehicles from national guard, wiping feces on farm equipment. Almost inhumane actions. I've lived in Morton county for 30 years
7	Yes	If I were to hear the facts but unfortunately I'm 78 years old so I won't be on a jury.	I would like to see it end. Their point has been made, they should go home now.
8	Yes	I'd like to think I'm a fair person.	It's something that has affected everyone's lives whether they are anti or pro - it's a small community . It's unfortunate, It's not a pleasant experience.
9	Yes	I have no connection to it - other than I think it's a waste of our government resources, to protect them or whatever we are doing.	No.

21	Everything - I've read every story, I'm very familiar with what is going on. I know what the Federal Judges have said, what both sides have to say. I know a lot about it.	Yes	That they are shooting at the police.
22	2000 veterans coming to say there are 5000 people in camp not willing to leave and how much its costing.	Yes	All the violence they caused. Nothing good.
23	There's a lot of people down there.	Yes	I hear about the mess they make. They are impacting local businesses negatively.

From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
10	Yes	A cop from Hebron, he has to go out there and it's getting old.	2. Probably guilty	I think it's going too far. It's just money. I think they're looking at what can happen. They want money.
11	Yes	I was personally affected. My good friend's neighbors had hay bales stolen. All kinds of farms have been affected. It's a damn shame.	1. Definitely guilty	They were arrested for a reason. I don't think the law enforcement has a vendetta - they're just doing their job.
12	No	N/A	2. Probably guilty	Some of the extremes they've gone to - throwing burning rocks and logs at law. I know law enforcement has had to be extreme too.
13	No	N/A	Don't know	I don't know, I'd rather not say.
14	No	N/A	1. Definitely guilty	It's a choice they are making. They're definitely wrong. There are consequences when you do something wrong.
15	No	N/A	1. Definitely guilty	All people that protest are guilty.
16	No	N/A	1. Definitely guilty	Because of everything I have seen or heard. A protester hurt my neighbor with his truck.
17	No	N/A	Don't know	No comment.
18	Yes	Being rerouted through town because the roads are blocked.	Don't know	It would have to be on a case by case basis
19	No	N/A	2. Probably guilty	Violence is not protected as free speech.
20	No	N/A	2. Probably guilty	Because they appear to be wrong.

22	No	N/A	2. Probably guilty	I can't say for sure because I was not there.
23	No	N/A	2. Probably guilty	Any time you have a protest someone is going to get out of line.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
10	Yes	I'm not prejudice, if I was on the Res out there, some part of me thinks they're right. Unless it's just about money, then it's wrong.	I'm not totally up to it. I hope it ends without somebody getting hurt - why isn't the national guard out there yet? Or maybe they are. I don't know a lot about it.
11	Don't know	I think I'm a little biased toward the pipeline.	No.
12	No	I would not want to be on the jury. I'm too old for that anyway.	No.
13	Yes	Get all the accurate info and weigh it out.	No.
14	No	I feel if it's people from out of town they don't belong here.	All these people out of state are making Mandan scared. There's more violence, stealing, it's getting out of hand.
15	Don't know	Depends on the circumstances, I might be.	No I don't, so the protesters are all guilty.
16	Yes	Because I would listen to them.	I feel sorry for the police.
17	Yes	I take care of handicapped people so I wouldn't have time to be on a jury.	No.
18	No	I hear too many things to be a good juror.	I think the principle is gone of why this was started.
19	No	Because I work at the pipeline.	No.
20	No	Too much in the media.	No.
21	Don't know	N/A	I know the local people are fed up with the protests. It's mostly outsiders causing trouble.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
24	They're trying to evict them off the government land and not having much success.	Yes	There were so many I can't remember anything specific.
25	I'm not up to it that much, it's out of my hands. I see their point but it doesn't matter. It's going too far.	Yes	There isn't specifics, they just list the number of arrests. They're arresting the protesters and then letting them go because they don't have enough to hold them on. Their camp is on the roadway. They're blocking roads into town. This is not prayerful or peaceful. They can protest and all but they do not need to disrupt our lives in town.
26	it's actually right in my front yard - they actually arrested guys that tried to break into my house. They need to leave, it's a bunch of BS, killing livestock.	Yes	Just a little bit, I heard about the one who was shooting at the police officers, she should be put under the jail instead of in the jail. Some of them were protesting at city hall and that's right across from my bank and I don't like that at all.
27	Whatever is in the paper, all these veterans coming. We'd like to see it end peacefully.	Yes	I just heard that a bunch of people have been arrested.
28	There is a pipeline running near reservation area and that is a concern to those folks in that area.	Yes	They chained themselves to equipment, they put sugar, sand, etc. into this \$200,000 to \$500,000 machines. They're blocking malls, streets and such. They've been blocking store entrances. It's just insane.
29	About the veterans.	Yes	They should prosecute them to the fullest extent of the law. This problem should have been taken care of early on and it wouldn't have gotten this far. Zapp was in 69' they handled it right. (He kept stating that he's native and angry about the protesting.)

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
24	Yes	Yes	Yes	Yes	We think the situation is an utter disgrace.
25	Yes	Yes	Yes	No	That they need to go home. They're in for the long haul, they're building structures on Core of Engineer's property. They were told to vacate by the 5th. They're going to have to because of the weather.
26	Yes	Yes	No	No	Well I'm new to Mandan and some people said that the Indians were paid for the land and some said that they weren't and I just want to find out the truth about it.
27	No	Yes	No	No	We just talked about how people are being arrested and what the police are doing.
28	Yes	Yes	Yes	Yes	How ridiculous it is that it started with 50 from the Standing Rock and then it grew from there to thousands of activists and protesters from everywhere.
29	No	No	Yes	No	It should be resolved and our government needs to do their job. Force should be used.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?

28	No	N/A	No	N/A
29	No	N/A	No	N/A

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
24	No	N/A	1. Definitely guilty	If they are not guilty they would not be arrested.
25	Yes	They're mostly just acquaintances, my (family member) knows them or because he sells them equipment.	2. Probably guilty	I honestly don't feel that the police would be out there arresting them if they didn't do something wrong. I saw an interview last week of a woman who left the camp because she said that a group moved in who are there just to provoke the police so they can sue for abuse by the police. So she had to leave. So it's not prayerful and peaceful any more. They're there for the wrong reasons.
26	No	N/A	1. Definitely guilty	Well if they didn't want to do something they wouldn't be there in the 1st place.
27	Yes	Friends with them.	2. Probably guilty	Because they're trespassing and stuff. They wouldn't have been arrested if they weren't doing anything wrong.
28	Yes	Well, (family members) are volunteer firefighters involved, friends who have children who are landowners.	1. Definitely guilty	The things that they've done, the action they've taken against police who are trying to keep us safe and all the ways they're disrupting everything around here.
29	Yes	The ranchers that live in the area. They've had their cattle killed and they're houses broken into.	1. Definitely guilty	Because I believe in our law enforcement and what they are doing. I think these protesters are causing all the problems and trying to get our law enforcement in trouble.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
24	No	I am a little prejudicial.	No.
25	Yes	Because there would be an opportunity to listen to both sides, I've been a juror before and I believe that everyone deserves a fair trial.	No, the tribe down there said that they were never notified. They thought that the pipeline wasn't going through the reservation so they weren't affected. The corridors were already in place. Safety measures were already there. They decided to protest.
26	Yes	It's the kind of person I am.	No.
27	Yes	Because both side could be heard.	No.
28	No	Because they came into our world and tried to destroy it by all the disruption. There is no reason for them to do what they're doing.	No.
29	Yes	I'd listen to both sides but would insist that they were punished to the fullest extent of the law.	No

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
30	I've heard all kinds of things but I first want them out of my state.	Yes	The one with the red fawn had the gun and fired it. When they went over to Bismarck and protested by the malls and they were arrested there.
31	The cops are trying to control it. They are burning vehicles. We are all tired of it.	Yes	I see them targeting people on social media, taking photos of officers and posting it telling people to go and attack them and their families. People have had to change there name on Facebook because of fear of the protesters and what they'll do.
32	Everyone in the country thinks it's a peaceful protest but it's nothing like that. It's all out-of-state people who have no business here. It's not there issue.	Yes	There is a woman charged with murder. They've disrupted our whole lives. They've blocked streets, malls and stores.
33	Most of what I've heard is second hand . They're claiming that the pipeline is in sacred burial ground.	Yes	They're getting more violent, they're not peaceful and they're blaming law enforcement and law enforcement are just doing their job.
34	Any number of things mostly the information from the news. Trespassing, blocking roads, stuff like that.	Yes	I remember a woman pulling a pistol from her purse and shooting at police. Stealing buffalo and stampeding toward police, them burning the national guard truck on the bridge.
35	Everything. The protesters are lying their asses off. I've heard that they were trespassing on people's property, blocking roads, just a bunch of stuff.	Yes	There's been a lot of unnecessary activity, Molotov cocktails thrown at police. A lot of things they shouldn't be doing. I've heard about peaceful protesting at first but not now. It's not peaceful. A girl got her arm hurt because she was trying to light something with propane on fire and it backfired.
36	Just a bunch of stuff from trespassing on other people's property to blocking streets and disrespecting our law enforcement.	Yes	That divergent series got busted for trespassing. Jill Stein painted on the Dakota access equipment. It really has gotten out of control. It's getting stupid.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
30	Yes	Yes	Yes	Yes	What's going on with it as far as talking to law enforcement in the family about what's happening down by the camp - and how media is covering it, - it depends on what paper is covering it, what information they want to report. Talking to ranchers and law enforcement to find out what is actually happening. We talk about how the Federal government should have stepped in a long time ago and it wouldn't have gotten so out of hand.
31	Yes	Yes	Yes	Yes	I think in general most people toward the beginning had some sympathy for the Indians but now that it took a turn for the worse, not so much. People are just tired of it.
32	Yes	Yes	Yes	Yes	Everybody I talked to are totally disgusted. Nobody I know is in favor of it - the protest.
33	Yes	Yes	Yes	Yes	Violent issues. Slaughtering the animals, the conditions they're living in down there with the weather and everything.
34	Yes	Yes	Yes	Yes	Everyone is sick of it and it's stupid. If something happened to my family I'd drag out my guns.
35	Yes	Yes	Yes	Yes	Unsympathetic to the protesters, they should be peaceful, but it is not. Now they're trying to force their will on the process.
36	Yes	Yes	Yes	Yes	Everybody's got mixed feelings, some think that it's a good thing and some think it's a bad thing.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?

From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
30	Yes	I have a nephew who is a 1st responder, a son-in-law in law enforcement. I'm good friends with a couple of farmers/ranchers in the area, I went to school with them.	2. Probably guilty	Well the woman who had the gun and fired it. She was charged in Federal court.
31	no	Lot of friends, police, US Marshall, Fire department. I am friends with a lot of them.	2. Probably guilty	If you're arrested, I think they are because police are letting a lot of things slide so I'm thinking that if they're being arrested that they're probably guilty.
32	Yes	I know a number of the landowners	1. Definitely guilty	Because I've watched any number of videos and talked to local law enforcement. Also I've seen them set up 2 blocks from my house. Pigs head and blood, this is not prayerful or peaceful.
33	Yes	They're neighbors of mine.	2. Probably guilty	Well they're on other people's land. They're down at the camps freezing their asses off. They have homes - go home. They are benefitting from the pipeline - they use gas in their cars - go home.
34	No	N/A	1. Definitely guilty	If you're down there doing something and not getting paid for it, you're probably guilty.
35	Yes	Professional - patience? (would not say more.)	2. Probably guilty	It seems like they are doing illegal things, yes.
36	No	I'm a first responder myself. I also know the Sheriff, Highway patrol and other first responders.	3. Probably not guilty	I think there's a lot of high emotions going on both sides.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
30	Yes	I've sat on a couple of juries and I have friends and relatives on both sides. I would listen to the facts and not go by what I've heard.	I feel bad for the Standing Rock tribe because of these out of state protesters. We used to have a good relationship with them. They've been set back a lot of years. I think its just a shame. They started peacefully and praying and then all these out of state protesters came in and things were blown out of proportion. I just hope that when all is said and done that we can still get along. People have stopped going to the casino and that is a lot of people's livelihood
31	Yes	I believe that I don't know all the facts. You got to keep an open mind.	No.
32	No	Because I have some pretty strong opinions and I would believe if a police officer stood up and told what happened.	No.
33	No	Because I live it every day - media and other people that I've talked to - there's where I get my info.	I wish it was over.
34	No		I hate this kind of stuff. Stupid is as stupid does.
35	Yes	Because I can remain objective.	No.
36	Yes	I'm neutral of the whole thing. I could keep an open mind.	No.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
37	I'm seeing very violent protesters. They're blocking the roads, they're driving 40-45 mile per hour and won't let anyone pass or enter the road - they're very vicious. We're tired of it. They're disrupting our lives. It's so much violence. They're saying the violence is all the police and it's them causing all the violence.	Yes	I've heard that some of them have been arrested but I think its been the outsiders causing all the problems.
38	How nasty they're protesting and totally disrespecting our law enforcement and making North Dakota look bad. They're trespassing and blocking traffic and roads.	No	N/A
39	There are illegal activities at camps. Burned cars. Butchered animals.	Yes	Very few, but they get let go right away. Farmers had to move their families to town and people are fearful. I've also heard that they were slashing law enforcement's tires.
40	I hear both sides of the issue. The protesters attacking the law enforcement and they are just doing their job. They're out-of-staters, majority of them, they're trespassing and blocking traffic. The thing that really sickened me is on Thanksgiving Day they paraded around my hometown with a pig's head on a stick and I was wondering what a pig's head had to do with the pipeline. They're just disrupting our lives. Also, they're all about the environment and they're trashing down the protesters site and using gas.	No	N/A
41	I think they are a little bit crazy.	Yes	Most of them are from out of state. One woman shot at the cops and was arrested. It's really gotten out of hand.
42	I heard a lot. It's a bunch of bullshit.	Yes	I know some of them have been arrested for protesting at our shopping stores. I think down at the site they have been arrested for different reasons. I think they should all be arrested.
43	I heard somewhere they were sprayed with hoses and blocked roads. I guess vets were there.	Yes	Just that they've been arrested other than that I don't remember specifics.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
37	Yes	Yes	Yes	Yes	That we agree with the protesters, but do not agree with them destroying property. They're not making any points that way.
38	No	No	No	No	N/A
39	Yes	Yes	Yes	Yes	Everyone is really fed up and sick of it and wondering where our government's at.
40	Yes	Yes	Yes	Yes	How ridiculous they are and how peaceful they say they are and they're throwing rocks and stuff at police and when police respond with actions they call police abuse.
41	Yes	Yes	Yes	Yes	That they just need to end it.
42	Yes	Yes	No	Yes	They need to go home. They need to leave us alone.
43	Yes	Yes	Yes	No	Just we wish it would be over with. It's gone on for too long. We all want it over with.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?
37	No	N/A	No	N/A

40	No	N/A	No	N/A
41	No	N/A	No	N/A
42	No	N/A	No	N/A
43	No	N/A	Yes	I know my co-worker's husband is an electrician and worked on the pipeline.

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
37	No	N/A	2. Probably guilty	It's kinda proven isn't it? They were trespassing, they were arrested. Isn't it obvious
38	No	N/A	2. Probably guilty	Well if they got caught then and arrested they probably are guilty.
39	Yes	Just ranchers that I've talked to , _____ and his family.	1. Definitely guilty	If they've been arrested, they've been arrested for a reason. They're guilty.
40	Yes	I know one of the Morton County Sheriff deputies.	1. Definitely guilty	They want to go around destroying stuff. They're guilty.
41	Yes	I know a couple of the Morton Co. sheriffs and I know a number of the landowners.	2. Probably guilty	When you hear about all the things going on and you don't hear about many getting arrested, you assume that they are guilty when they are arrested.
42	Yes	I know several in law enforcement. I know a couple of the landowners too.	2. Probably guilty	The young lady that had lit up a thing that she was going to throw, but it blew up on her. Because our law enforcement don't go around arresting people for something if they're not guilty. They have better things to do.
43	No	N/A	2. Probably guilty	Well because they're doing the damage and I'm thinking that most of them are not from North Dakota.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
37	Yes	I've served on a jury before. I would go in and listen to all the evidence presented to me.	Not really.
38	No	I've got too many mixed feelings.	No, that should do it.
39	Yes	I'd be fair to anybody, that's just the way I am.	No.
40	No	Because I've seen the destruction that they've caused.	Nope.
41	Yes	Well I'd have to hear both sides and make an informed decision.	I think that's good.
42	No	N/A	I feel that it's not fair that they're doing this to us and these people are getting paid to protest and it just has gone too far. They have no business here.
43	No	N/A	I understand that they have a right to protest but not to destroy property. I could not be impartial to that.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
44	It's all over the news. It's been going on too long.	Yes	They were in the wrong. One shot at police, they set fire to vehicles, they have blocked traffic, disrespected people's property. I think that the ones doing it are from out of town.
45	I am in the military and I am working at the protest.	Yes	It seems like when they're crossing the lines and doing things that are illegal, blocking traffic, burning vehicles, blocking shopping centers, cars being damaged driving through the line, I heard that they've been arrested. I think the law enforcement has been very patient and I don't envy them doing that job.
46	Demonstrators are not peaceful. Mean to the police officers.	Yes	That they have been arrested for trespassing.
47	That they are being violent.	Yes	A woman who is a felon shot at a cop.
48	The chaos it is causing and the benefits of the pipeline.	Yes	What they're doing. Spending a lot of our money. I don't agree at all with what they're doing. They had meetings. They should have spoke up then - not after everything was Okayed.
49	I think the whole thing is silly. People are refusing to come into the area.	Yes	The protesters were spitting on the cops so they were getting arrested.
50	I thought the media did a rotten job in terms of getting the facts correct.	Yes	Just that they have been arrested and charged with crimes.
51	The protesters are throwing rocks and burning stuff. They are not listening to the police.	Yes	One had a gun and a few others accused the cops of throwing bombs.
52	That they are not peaceful. Law enforcement has their personal info hacked. Animals are being killed. Vehicles are being burned.	Yes	AT the Target there were arrests for being a private property. If they are on their own land, that would be different.
53	About the arrests of the protesters.	Yes	I know they were arrested for doing unlawful acts. I think being on private land, setting fires on the bridge, harassing law enforcement just to name a few.
54	I haven't seen it myself.	Yes	I've read about it all. When they're on private property and starting equipment on fire and handcuffed themselves to equipment, they should be arrested.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
44	Yes	Yes	No	Yes	Everyone is fed up. Everyone thinks that the President or the governor should have stopped it a long time ago. It's gonna get worse before it gets better.
45	Yes	Yes	Yes	Yes	I would just say the frustration about how long it's been continuing, most people don't think that it's been legal. Concern for citizens, not protesters. There is sympathy for the local tribe - this is being done by out of state people.
46	No	No	No	No	N/A
47	Yes	Yes	Yes	Yes	He shows them a website on how to become a professional protester for \$1500.00
48	No	Yes	Yes	No	They shouldn't be doing this. We all feel the same thing.
49	Yes	Yes	Yes	Yes	They have right to protest but you shouldn't break the law.
50	Yes	Yes	Yes	Yes	Just general conversation. It is second-hand info.
51	Yes	Yes	Yes	Yes	They thought it was OK in the beginning but now it is out of hand. The pipeline is a done deal.
52	Yes	Yes	Yes	No	Mainly, people don't like the protests. It's causing a lot of problems.
53	Yes	Yes	No	No	I don't think its necessary to say exactly what I talk about. I don't feel that people from out of state are here for any good reason. I think they are causing trouble. I don't think they are here to pray for a peaceful resolution.
54	Yes	Yes	Yes	Yes	My Native friends want the protesters to go away. The protest has been hijacked by eco-terrorists funded by George Soros. Meth and marijuana are rampant down there. 93% of arrests were white, non-North Dakota residents.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
44	No	N/A	1. Definitely guilty	Because of what they're doing. They're being arrested and our police don't just go around arresting people for nothing.
45	Yes	My husband works for the county on the road crew and has had to work in the area. I know some of the law enforcement as well.	1. Definitely guilty	It's based on things I've heard and seen. What they've done. They're being arrested and I don't think our law enforcement would arrest them if they weren't guilty.
46	No	N/A	Don't know	N/A
47	Yes	People are harassing his friends with masks.	1. Definitely guilty	N/A Refused to answer
48	No	N/A	1. Definitely guilty	Well, because they're trespassing on other people's property. If we were to do this, we'd be in jail.
49	Yes	I work with the State Highway Dept. putting up barricades.	1. Definitely guilty	Most are getting arrested for trespassing or assaulting the police.
50	No	N/A	2. Probably guilty	I trust the word of law enforcement.
51	No	N/A	2. Probably guilty	Because they had to do something to get arrested.
52	Yes	I know people on the city side and hear it's affecting the economy. I've heard about the problems from the sheriff as well.	Don't know	I wasn't there to witness it.
53	Yes	I know landowners down there who are affected and I also know some of the law enforcement.	Don't know	I'm the kind of person that if I don't know all the facts, I wasn't there so I can't judge. That's what our courts are for.
54	Yes	Landowners, National Guard, and pastors called to pray with the National Guard during their briefing.	1. Definitely guilty	This is not a Native American issue. It's an eco-terrorist issue. Anti-coal, anti-energy dependent. They are here causing chaos and not doing anything peacefully.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
44	No	N/A	I don't believe in it and they've caused too much damage and cost the state \$10 million.
45	No	N/A	I just have had enough. I just feel very strongly that the pipeline should go through and it's hard to be non-biased. I'm just frustrated by the whole thing.
46	Yes	I have years of experience in law enforcement and in the legal system.	No.
47	Yes	I am of sound mind to know that the bad ones are a small minority. It depends on the charges.	This is just upsetting to me.
48	No	N/A	No.
49	No	Because the protesters harass my family trying to get to work.	No.
50	Don't know	I am getting tired of it. They need to go home now.	No.
51	No	Because I would say guilty right away.	The protesters and the tribes should be held responsible for payment of repairs to the damages caused.
52	Yes	I really don't have an opinion either way. I know people on both sides.	No, I don't think so. I'm just here and want it all to go away.
53	Yes	Because I think I am a fair and impartial person who will look at all the facts and not let my emotions decide for me.	I think the out-of-state people and the agitators should go home. They're just hurting the people they're trying to help in the long run.
54	Yes	Because I love Native Americans.	Sophia Welinski on 10/28 was rolling tanks of propane trying to create a bomb. Thanksgiving Day is what got me when they walked the streets on Mandan with a pig's head on a stick chanting, "Kill the Pigs" referring to our law enforcement and "death to all the pilgrims."

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
55	There's a low of praying. There's a lot of protests.	Yes	Well, it's lasted quite awhile and at one point burning vehicles on bridges. They've slaughtered many buffalo, horses and cows. They're closed streets, blocked access to stores.
56	The escalation of the protests.	Yes	Some were throwing stuff, setting things on fire, and spray painting things.
57	They are a bunch of troublemakers.	Yes	I know about it but I try not to pay any attention. The protesters are a nuisance.
58	Nothing specific. I am not for it. The problem is the tourists.	Yes	They have not been prosecuted properly. If they have committed felonies, they should be locked up in jail. This is just insane. All the vandalism isn't right.
59	I don't believe in protesting.	No	N/A
60	I have heard the pipeline is not on the reservation. I have seen some videos of the protests but they got crazy when out-of-towners came in.	Yes	I heard somebody tried to shoot at cops. Others are chaining themselves to equipment.
61	There's a lot, the violence against and provoking the law enforcement, They burned one of my husbands equipment. We have equipment down there. Millions of dollars of damage being done.	Yes	I think we should arrest them all. They are all breaking the law. They shouldn't even be here.
62	Just that they're making it very rough for those who live here. If it were just the Indians that lived here it would be better, but all the people causing trouble are from out of state.	Yes	That they were violent. And I think some was exaggerated.
63	Just that they're not in favor of building the pipeline.	Yes	They are always complaining.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
55	Yes	Yes	No	Yes	Why it started and why the Native Americans didn't object till it got to Morton County. I really don't feel that it's the locals. I think that it's the ones from out of town causing all the problems.
56	Yes	Yes	Yes	Yes	Whether or not it should be built. protesters blocking off streets.
57	No	No	No	No	N/A
58	No	Yes	No	No	I have a Native friend that has just been caught off guard by all this.
59	No	No	Yes	No	Just that roads are being blocked. Lots of police out and around.
60	Yes	Yes	Yes	Yes	It's a big issue and everyone is against it.
61	Yes	Yes	Yes	Yes	Why are they here? We need them to leave and finish the pipeline.
62	Yes	No	No	No	I just think it's all pretty sad. Too many people are involved now.
63	Yes	Yes	Yes	Yes	They are all tired of it. We need closure.

From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
55	Yes	Some of the landowners.	2. Probably guilty	I just think they are. I've watched it on TV. We've seen them spit in the police officers' face. They're kinda nasty.
56	No	N/A	2. Probably guilty	Because of what I have seen on TV.
57	No	N/A	Don't know	I don't know why they were arrested or what they are being charged with.
58	Yes	National Guard.	1. Definitely guilty	I think that what they are doing is wrong and they should be prosecuted for breaking any laws. Residents here are scared and the government isn't doing anything about it.
59	No	N/A	Don't know	I don't know about the arrests.
60	Yes	I know firefighters that are helping.	1. Definitely guilty	I trust law enforcement and the thing is the media is all incorrect information.
61	No	N/A	1. Definitely guilty	If they've been arrested, they were doing things that were illegal.
62	No	N/A	3. Probably not guilty	I don't know. They may have felt that what they were doing was OK.
63	No	N/A	Refused	N/A

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
55	Yes	Because I've not had anything directly affect me. So, I think I can listen to both sides and be objective.	My feeling is just that it needs to be resolved soon and everyone can get back to their regular lives.
56	No	I am so against the protesters. It was fine when it was peaceful but now it's gone too far.	Just that it was fine when it was peaceful but now it's gotten way out of hand.
57	No	I am for the pipeline and there should be only progress on it every day.	You have to have a way to transport the oil and the pipeline is cheapest and easiest way to do it.
58	Yes	I have friends that are Native, so I understand both sides.	I think its very disgusting that the people are doing this and starting to wear their own "protection." The people that have come from out-of-state can't be trusted. No one here feels secure anymore.
59	Don't know	I really don't know much about any of it.	I work nights, so I really try not to pay much attention to any of it.
60	Yes	I think I could still listen to both sides and be fair.	It is just a huge waste of money.
61	Yes	I'd have to see all the evidence. If they prove innocence, then that's fine.	Just that we need to get them all out of here. Just because they have actors with money involved, doesn't mean that they continue to break the law.
62	Yes	I feel that I would listen to both sides fairly and make the right decision based on the facts.	I just feel bad about all of the waste of time and money this has caused.
63	Yes	If everything is presented to me, I could make a fair decision.	No, I don't think so.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
64	Well it's in our news every day. We are very, very, very upset about how the media is covering this. These thousands of protesters have been in our towns, blocking traffic, seniors that have gone to Thanksgiving dinner they didn't get to it. They have totally disrupted our way of life. This is setting us back 100 years. This is not the Indians' fault. It's the activists fault. The police are going above and beyond their regular shifts. Hundreds of hours away from their families. Older people are afraid to leave there homes.	Yes	They've been officials and reporters. People are being strip searched.
65	Pretty much everything that has happened so far. I am really discouraged with our government, our tax money is not being used correctly. I think our governor should get his tail out from between his legs and do his job.	No	N/A
66	Pretty much everything. I've heard the law enforcement side and I've heard the protesters side. I have friends that belong to Sioux Tribes and I have family in law enforcement.	Yes	They have been arrested because they won't listen.
67	A bunch of things. You got one side complaining about cops and the cops trying to keep order. There's something in the news every day.	Yes	A handful were arrested one time but I don't know what for. They were released the next day.
68	Everything! I just think that it has been enough - these protesters need to be stopped.	No	I am tired of hearing about it and I'm sure there are crimes being committed.
69	That they're protesting the pipeline under the Missouri river.	Don't know	N/A
70	Everything, the stupid crap the protesters are doing and no one's doing anything about it. At this point I don't think they're protesters, I think they're terrorists.	Yes	Any that are arrested should be spending time in jail.
71	That they're protesting against the water being contaminated.	Yes	They are crossing barriers and going on private land.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
64	Yes	Yes	Yes	Yes	The worse and more dramatic things got, then people started getting arrested.
65	Yes	Yes	Yes	Yes	The biggest thing is that the protesters aren't even from here.
66	Yes	Yes	Yes	Yes	We are all for the pipeline.
67	Yes	Yes	Yes	Yes	Basically the protesters were OK until they got out of hand. Now we just want them gone.
68	Yes	Yes	No	No	We talk about the protesters and celebrities coming to the malls and then complain about things.
69	Yes	Yes	No	No	Everyone is disgusted with the protesting.
70	Yes	Yes	Yes	Yes	Just that we want them gone. There is no reason for it. That is not their land and they have no right to it.
71	Yes	Yes	Yes	Yes	That it is causing Morton County too much money.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?

From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
64	Yes	Landowners and first responders.	3. Probably not guilty	The tribal members were arrested when they were praying.
65	No	N/A	1. Definitely guilty	Because I trust our law enforcement. I think the police officers have shown a great deal of restraint.
66	Yes	Landowners and law enforcement.	1. Definitely guilty	Because I've seen things on the news where they won't back down and they are saying lies.
67	Yes	My cousin is a cop that came here from South Dakota to help.	3. probably not guilty	They were just trying to make a point.
68	Yes	I know some people - landowners - by the camps and law enforcement has been on their land.	2. Probably guilty	I think law enforcement are doing a great job. It's getting way too out of hand.
69	No	N/A	2. Probably guilty	Because they don't have to be doing what they are doing.
70	Yes	My own family - landowners - have been targeted b the protesters.	1. Definitely guilty	Shailen Woodley in Number one. She has no right to be here.
71	Yes	Law enforcement officers that have gone to help.	1. Definitely guilty	I've seen that they have committed crimes like burning vehicles and such.

Number	22. Do you thing you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
64	No	I don't like pipelines.	The assumed benefits aren't looked at by where the pipelines go across people's properties.
65	Yes	I think I could be fair.	No. That's all.
66	Don't know	N/A	Probably not (be fair juror). I feel they are guilty and that would be hard. I just know that they started fires there and stuff like that.
67	Yes	I don't know any of them.	I would hate to be anyone out there working on any of it.
68	No	N/A	I will admit that I am biased. It's just crazy out here. There's like 5000 people in these camps.
69	No	N/A	I don't know that much about it. I'm 88 years old and I don't know much about it and I don't go down there at all.
70	No	N/A	I am very mad and they have caused so much trouble in my family. The sooner they are gone, the better. The pipeline should go through right where it's at.
71	Yes	They have to be proven guilty. I could listen to the facts.	When Trump starts, hopefully it will be all over.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
72	It's ongoing. It's been going on for quite a while. It's on the news every day. Today there was something about buffalo being stressed. It's nuts, its every day.	Yes	I've heard they've started a lot of things on fire and they've been charged with various other crimes such as trespassing, blocking roads and stores. Causing damage on property they've trespassed on.
73	I have to agree with protesters, not with what they've done. It's outsiders making all the trouble.	Yes	What I remember hearing some minor things, poorly written, skewed reports against the police and for the protesters. Almost all the news have misrepresented the protesters and misrepresented our police force quite a bit. The state government and local media have done a terrible job standing up for our police officers.
74	I don't know. It should have been peaceful and it's not and they don't know who to blame. I'm not picking either side.	Yes	I can't remember one particular event but the cops put up with a lot more that I would put up with. Our local law enforcement are outstanding. I don't feel one bit bad for those protesters. We've got two feet of snow, their water resource is freezing. I'm just sick of it. It's time that it ends.
75	Blocking the roads, killing livestock, burning the equipment, this is not protesting or peaceful, it's terrorism.	Yes	I've heard that there have been arrests but nothing since. I can't think of anything specific.
76	The way they cry abuse after they hurl rocks and stuff at the police and don't expect any repercussions.	Yes	I live just south of Mandan, North Dakota and I'm seeing it every day. They're doing things that we would be arrested for and I believe that the Federal Government should step in and take care of it and put a stop to it.
77	Lots and lots of stuff. Most all day, every day we're hearing more stuff.	Yes	Basically, the law enforcement told them to stay back and they pushed into those areas and trespassed and started equipment on fire and went on people's property and they're disrespecting our law enforcement.
78	From National news, not good. Showing protesters defacing our courthouse by throwing oil all over it. They're blocking us from shopping at our stores. They're just disrupting our lives.	Yes	569 people have been arrested.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
72	Yes	Yes	Yes	Yes	How absurd they are. Silly that people are driving all over the country with gas that we pumped through a pipeline to protest a pipeline to be used to pump oil.
73	Yes	Yes	Yes	Yes	Mostly the damage that this is doing to the state for absolutely no use and that the environmental terrorists should leave and let us deal with the fallout.
74	Yes	Yes	No	Yes	That it's time to end it and the government should have put a stop to it before it ever got this far.
75	Yes	Yes	Yes	Yes	Just about everything. As it happens, we talk about it.
76	Yes	Yes	Yes	Yes	Just that we'd like them to go home and we don't understand why they don't go home. It's minus 35 and they're living in tents.
77	Yes	Yes	Yes	Yes	Just how rude they are, how they're stealing, how they're eating at restaurants and not paying, stealing from stores. They're trespassing on people's property. They're treating the local people terribly.
78	Yes	Yes	Yes	Yes	The nature of all the illegal activities.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?
72	No	N/A	No	N/A
73	Yes	I know the members of their family that agree with it - not protesters - mostly supporters.	No	N/A
74	No	N/A	No	N/A
75	No	N/A	No	N/A
76	Yes	Quite a few of the Native Americans that wanted this to be a peaceful protest and they don't want this. I'm friend with quite a few and I hope we can still be friends when this is over.	No	N/A
77	No	N/A	No	N/A
78	No	N/A	No	N/A

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
72	Yes	I know some people who live in the area who have had to deal with them coming onto their property, climbing on their vehicles and things like that.	1. Definitely guilty	Just from the people I've talked to in the area - what they've told me is happening and what the people are getting arrested for matches up.
73	Yes	Acquaintance and friend of officers, first responders and landowners affected.	Don't know	N/A
74	Yes	I know some landowners.	2. Probably guilty	Everybody is innocent until proven guilty I guess, but they've been getting arrested and our law enforcement have too much to do to go arresting people without cause.
75	Yes	I know some of the law enforcement and first responders.	2. Probably guilty	Because they were arrested. They've been trespassing on people's property. That's against the law.
76	Yes	I know some of the police officers.	1. Definitely guilty	Because I've seen them in action and seen the videos of protesters in the police officers' faces - they're very violent. This video is from someone who is not protesting.
77	Yes	A person I'm friends with - her husband is law enforcement down there.	1. Definitely guilty	From what I've seen not only in person but I've also seen them in action, they're rude, trespassing on people's property, blocking traffic. It's something on the news every day.
78	Yes	Landowners have been affected.	Don't know	I can't make any judgements.

Number	22. Do you thing you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
72	Don't know	N/A	No.
73	Yes	I'm fairly impartial and a reasonable person. I would listen to all the evidence and base my opinion on that.	No.
74	No	N/A	No.
75	No	N/A	Not really.
76	Don't know	N/A	No.
77	No	N/A	No.
78	Yes	Everyone deserves their day in court.	The protesters need to leave before someone gets hurt.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
79	Just every day, every day, something happens and is reported and we just hear everything that's reported. They're moving to Mandan and Bismarck now. They've been at the capitol and in front of Wells Fargo Bank and they've been blocking roads, highways, shopping centers.	Yes	They've arrested people - it's been in the paper. They've been arrested for rioting, trespassing, breaking the law.
80	Well what I understood is these people had it all set that everything was ok'd and then they started protesting and it all went too far.	Yes	Something about the fires and trespassing.
81	We get daily updates - burning the vehicle on the bridge, protesting downtown Bismarck, fighting with authorities. I don't feel like it's peaceful. I haven't heard about as much since the snow came.	Yes	I don't know what they want. They just want money.
82	There's lots and lots of stuff. Way too much to list off. There is something new every day.	Yes	More of them should be arrested. The problem is they are recruiting trash. They are crooks.
83	Well, I've done a lot of reading police reports. I've seen on Facebook. I've done research on both sides. I have Native friends. I've heard pretty much everything.	No	N/A
84	They came right in our town and closed our streets. I think most of them are from out-of-town. There is something happening every day.	Yes	I heard about movie stars getting arrested.
85	It's very aggravating. They should be doing more, I guess. Just what's on TV. The trespassing, burning vehicles on the bridges, disrespecting the police and blocking streets and stuff.	Yes	There's been several cases of them trespassing on private property, vandalizing equipment, just causing trouble and blocking streets in town.
86	That they're against it and that's about it. The missing cattle, the farmers and ranchers not getting their work. Just a lot of disturbance.	Yes	I saw them get arrested right outside my window. They were blocking the police station doors. They were supposed to stay on the sidewalk.
87	I think it's sick. I wish the protesters would just go home. They're corrupting the stores and disrupting people's lives. They're causing a lot of trouble.	Yes	A lot of different violations. Trespassing to destruction of property to blocking streets and threatening people.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
79	Yes	Yes	No	No	We all want this to be done. We all want clean water but it's the safest way to transport oil in through the pipeline.
80	Yes	Yes	Yes	Yes	Whether or not the protests are justified.
81	No	No	No	No	N/A
82	No	No	No	No	N/A
83	No	No	No	No	N/A
84	Yes	No	No	No	Half of them are for and half are against.
85	Yes	Yes	No	Yes	Just how it affected our lives, we're right in the thick of it. My family asks questions about the pipeline and about the protests. They are north of here.
86	Yes	No	No	Yes	I don't remember. All I know is a lot of people are unhappy about it.
87	Yes	Yes	Yes	Yes	In general, most of the people here want the protesters to go away and for al this to be over. Get our lives back.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?
79	No	N/A	No	N/A
80	Yes	A co-worker is involved in the protests.	No	N/A
81	No	N/A	No	N/A
82	No	N/A	No	N/A
83	No	N/A	No	N/A
84	No	N/A	No	N/A
85	Yes	I did in the beginning when it was local and peaceful. Now, no.	No	N/A
86	No	N/A	No	N/A
87	Yes	Local protesters but none from out-of-town.	No	N/A

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
79	No	N/A	2. Probably guilty	Just again what I've seen and that crimes have been committed and law enforcement wouldn't go around arresting people for no reason.
80	Yes	A co-worker is one of the protesters.	Don't know	N/A
81	No	N/A	1. Definitely guilty	Because they tried to burn a bridge and are provoking the police.
82	No	N/A	3. probably not guilty	Because they only block the roads.
83	No	N/A	Don't know	N/A
84	No	N/A	Don't know	N/A
85	Yes	I know an officer.	1. Definitely guilty	Because they knew when they were trespassing that they were breaking the law.
86	No	N/A	2. Probably guilty	Well because they're getting arrested. I don't think they'd be getting arrested if they didn't do anything wrong.
87	No	N/A	3. Probably not guilty	I would say that most of them are probably not guilty because the experience that I have had with law enforcement is that they will make arrests and let the courts figure it out and not a lot of evidence.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
79	No	N/A	No.
80	Yes	Because I have been hesitant about other people's opinions.	No.
81	Yes	If I hear both sides of the story I could.	No.
82	Yes	Because I could listen to both sides.	No.
83	No	N/A	I don't think it makes a difference what my opinion is.
84	Yes	Because I'm very open-minded.	No.
85	Yes	I think that I'm fair enough person even though it's affected us negatively.	No.
86	No	N/A	No.
87	Yes	Because I consider myself pretty unbiased and I would base it on the evidence presented to decide whether they're guilty or not.	No.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
88	Everything. I've been following pretty closely. I hear both sides. The people who don't want the pipeline want to be heard and the people who want it just want it done and the protesters to go away.	Yes	But not a lot. I work full-time at a nursing home and don't see a lot of news but have heard on Facebook and my nephew is in law enforcement and he and his wife have sat up all night by their door because of threats against them and I've heard about our homeowners being threatened.
89	I've heard lots of different things. The tribes down there were offered money and didn't want it at the time. I've seen the protesters and the rioters all causing problems. They've burned tires and ruined equipment and trashing the place and people who are concerned about the environment shouldn't be doing all this burning tires and trashing the protest site. Our commander-in-chief has done nothing about this. There is no unity in this country. People hate each other and there is no unity anymore.	Yes	I've read and seen them being arrested but it's like they're getting away with things. Like that movie star (Divergent) arrested for trespassing - she got released.
90	Bout they're blocking off and disrupting roads, their campsite is filthy, disrespecting police officers, not following laws, trespassing on people's land, slaughtering livestock, cutting people's fences down and stampeding buffalo. I've experienced it.	Yes	Well, there's been a lot of them arrested and a lot that been let go. The prosecutor isn't doing his job. Both sides could have compromised to ensure safety on both sides. They need to do more talking.
91	I've heard a lot. It's all about environment, about alternative energy. It has nothing to do with water.	No	N/A
92	Probably everything. I think they should just go home. Obama vetoed putting the pipeline in so hopefully they're leaving.	Yes	I've heard that more than 75 percent of these people don't even live in the area.
93	The government was sent here to make rules and we are supposed to obey them and if people don't they should get arrested. I don't know, I really don't pay too much attention. They're gonna do what they're gonna do.	Yes	It's in the paper every day. The highway in front of my house, 3 or 4 buses, lots of highway patrol. Sheriff's caravans go down my road at about 6:30 am because the shift changes at 7:00 am. They would go south past my past for the shift change.
94	I live on Highway 1806 and I see it every day. This road leads right to the camp if the bridge was open but it is blocked. People are forced to go six miles west of here to Highway 6 that isn't blocked.	Yes	That they were arrested for blocking streets and stuff. They've been getting away with a lot of stuff.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
88	Yes	Yes	Yes	Yes	It's ridiculous and they're letting them do whatever they want-not let people get to their own homes. These protesters are getting away with things that anyone else would get arrested for.
89	Yes	Yes	Yes	Yes	How they need to get out of here. Everyone's sick of the protesters.
90	Yes	Yes	No	Yes	In general, they talk about something that is peaceful. It's not and if you don't think the way they do, you're prejudiced. They don't want to hear anything you have to say. It's either their way or no way.
91	Yes	Yes	No	No	That the protesters should go home.
92	Yes	No	No	Yes	Well, people told me that they're bring them in and paying them \$16.00 a hour to protest but that is their business.
93	Yes	Yes	No	Yes	Everything about the pipeline, local law enforcement, what it's going to cost the taxpayers when this is over.
94	Yes	Yes	Yes	No	Wee jus want it to get over with. The out-of-staters need to go home.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?
88	No	N/A	No	N/A
89	No	N/A	No	N/A
90	Yes	I have a Native American family that used to live next door to me and moved to the reservation because they're too close to the protesters here and they're being harassed.	No	N/A
91	No	N/A	No	N/A
92	No	N/A	No	N/A
93	No	I know some of the Native Americans at the Casino but none of the protesters.	No	N/A
94	No	N/A	No	N/A

Number	17. Have you or anyone you know been affected by protests in any way?	17a. Please describe the connection you have with the situation.	20. From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
88	Yes	My nephew the policeman in Bismarck and some landowners. People are very frightened.	2. Probably guilty	Because I would think that there would be more arrest for the amount of people that are there. Like I said before, that they were arresting for blocking streets and burning tires and ruining equipment.
89	Yes	I know quite a few landowners who have been affected by it.	2. Probably guilty	Because if they're arrested, they're probably guilty of something.
90	No	N/A	1. Definitely guilty	They're not just going to arrest people without cause. They don't have time to arrest people for nothing.
91	No	N/A	Don't know	N/A
92	No	N/A	Don't know	N/A
93	No	N/A	3. probably not guilty	They shouldn't be followers. I think a majority of them are just following what a few of them are doing. I don't think being a follower is a crime.
94	No	N/A	Don't know	N/A

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
88	Yes	Because I've been on jury duty and I realize how important it is to be fair and impartial. I would listen to all their evidence and not go by what I've heard elsewhere.	No.
89	No	N/A	I don't think I'd be fair on any jury.
90	Yes	Some of the things I agree with and if they're out causing problems, they should go to jail. I would listen to the facts. I'm a very logical person. I would base my decision on evidence.	No.
91	Yes	Because I'm not prejudiced. I am fair and will listen to evidence.	No.
92	Don't know	N/A	No.
93	Yes	I'm not too judgmental. I have a tendency to be impartial. I see both sides of the issue and I'm not for one side or the other.	No.
94	Yes	Why not? I would be open-minded and listen to evidence they have.	No.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
95	Everything - A lot of out-of-staters. It's in the news every day. protesters wrecking and burning equipment, blocking roads, trespassing on other people's property, very disrespectful to our law enforcement.	Yes	At Target - we were there that day and witnessed it. I saw an arrest over on Main and they were arresting a girl and hooking her car up to a tow truck.
96	They were told to go home but they stayed. Most of them are out-of-staters who are paid to be here. Nothing positive, all negative. They were downtown on Thanksgiving Day so I had to detour to pick up relatives for Thanksgiving dinner.	Yes	They're been arrested for trespassing and resisting arrest, that sort of thing. If they would follow the rules and have a peaceful protest, there wouldn't be any arrests.
97	A lot of stuff. I follow it on Facebook. I think it's just about so out-of-hand. I've talked to police officers and protesters talking about how it's OK to stand up for what they believe in but not OK to break the law.	Yes	I've heard some have been arrested and I don't think that anything's become of it. I think they get out right away. I guess they have a lawyer there who bails them out right away and they don't spend any time in Jail.
98	I think it is a bunch of crap. It's gotten way out of hand. That there are some of them who are human and some who are not at all. They have completely disrupted our lives.	Yes	A lot of them were spitting on the local law enforcement and disrespecting them. I've seen and heard that they've blocked streets and older people are afraid to leave their homes. I've also heard that they're mostly out-of-staters and they just need to leave.
99	They're claiming they're peaceful protesters but they're setting fires and wearing masks and our local natives don't want them here either. They're disrupting our lives and it's no longer a peaceful protest.	Yes	Just about everything. We are friends with a Morton County sheriff and he's had to spend a lot of time down there. We've heard some from him. I also remember hearing about them protesting at, and blocking different places.
100	Not anything good. I think that they're trying to make a name for themselves and it's not going very well. I believe that everyone has a right to protest but I don't think they've gone about it the right way.	Yes	The media is too biased. They aren't reporting the rioting and the wrong-doings of the protesters.
101	All lies. News media coverage is disrespectful, internet very wrong towards our police officers. They aren't protesters any more. They are rioters.	Yes	If they were peaceful on public property it would be OK. But when they are on private land and trespassing they are breaking the law.
102	I think it absolutely pathetic that it's going on this long.	Yes	We know people who have had crimes committed on their property.
103	I thought it was going to be over with.	Yes	I feel it is very sad that this is all going on. I feel like someone 'higher up' is just getting what benefits them.

Number	12. Talked to Family?	12. talked to Friends?	12. Talked to Co-workers?	12. Talked to Other people?	12a. What did you talk about?
95	Yes	Yes	Yes	Yes	They need to go away.
96	Yes	Yes	Yes	No	Just how if it was a peaceful protest, that would be one thing but they're disrupting our lives going into graveyard, blocking streets. They should keep it peaceful and down at their campsites.
97	Yes	Yes	No	Yes	That it has just gotten out-of-hand and it's not just in North Dakota, it's all over the country. What are we coming to, everyone protesting about this or that.
98	Yes	Yes	No	Yes	Well , we can't figure out why all these out-of-staters are coming here to protest and the funny thing is they're coming in cars that use gas and oil.
99	Yes	Yes	No	Yes	Just that they have a right to protest but they're not going about it the right way.
100	Yes	Yes	Yes	Yes	I have tried to share more true information to correct misconceptions.
101	Yes	Yes	Yes	Yes	Everyone thinks it's gone too far and everyone from out of state should leave so things can be handled in court.
102	Yes	Yes	Yes	Yes	Just that it started peaceful but with the more radical people it has turned into more.
103	Yes	Yes	No	Yes	Everybody is just very uneasy. I live very close to the river.

Number	15. Do you know any protesters or their family?	15a. How do you know the protester or family?	16. Do you know anyone who works(ed) on the DAP?	16a. How do you know this person?

From what you have read and heard do you think most of the protesters charged are (guilty) (not guilty)?	21. Please explain why you feel the protesters are (guilty) (guilty) (don't know guilt).
95	Yes	I work at the Capitol and we're on lockdown a lot. Every time they show up (protesters) we go on lockdown. There have been 3 or 4 instances.	Don't know	N/A
96	Yes	I do know some of the law enforcement who come into the convenience store where I work, We talk about things that are happening and I let them know how much we appreciate them.	Don't know	N/A
97	No	N/A	1. Definitely guilty	There on the Corps land- that right there. No one else walks on that property but there are the protesters trespassing.
98	Yes	I know one of the guys who is a landowner. I also know some of the law enforcement working down there.	2. Probably guilty	Well, from what I can see, they're out there pushing their weight around and people are being arrested and I just don't think that our law enforcement would just arrest people for no reason.
99	Yes	A friend of ours is a Morton County sheriff.	1. Definitely guilty	They have pressed it to the point where I think that the law enforcement has no other choice but to arrest them, They've been very patient.
100	Yes	Landowners. They have animals that went missing.	1. Definitely guilty	They are guilty and I think there are a lot more that haven't been arrested that are committing crimes.
101	Yes	Law enforcement and National Guard.	2. Probably guilty	If they were arrested for trespassing that's pretty cut and dry. If you are on a property and cutting fences on land that isn't your, that's illegal.
102	Yes	Law enforcement, county commissioners and landowners	2. Probably guilty	Just from watching the news and listening to the people we know that are involved.
103	No	N/A	Don't know	I didn't get into any of the arguing and fighting or anything like that.

Number	22. Do you think you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
95	No	N/A	No.
96	Yes	Because I think I can step out of the emotional part of it and listen to the facts.	No.
97	No	N/A	No.
98	Yes	I would hear all the facts and base my decision on the facts.	No.
99	Don't know	No answer.	No.
100	No	N/A	I could probably try but I would not be fair/impartial towards the protesters. Well, the reservations are so dirty and they are already polluting the water so they have no right to think a pipeline 'might' damage the water.
101	Yes	I could be fair and listen to all sides to make a decision.	No, that's all.
102	Yes	I try to really look at the whole situation and the law.	Too much of the information has been twisted.
103	No	N/A	I was in a bad car accident and my memory just isn't good at all anymore. I feel bad for the Native Americans about some things. But sometimes you just need to move on.

104	Yes	Landowners	2. Probably guilty	They wouldn't be arrested if they weren't doing anything wrong, We trust the policemen and the law.
105	No	N/A	1. Definitely guilty	Because they were blocking roads and bothering innocent people. They can't disrupt others' lives.
106	No	N/A	1. Definitely guilty	They are doing so much and are all getting caught in the act.
107	Yes	Landowners	1. Definitely guilty	Based on all the property they've destroyed.

110	Yes	Landowners, ranch owners, a resource officer and police department staff.	2. Probably guilty	Because our law enforcement here is good. We have very good, honest officers working here.
111	No	N/A	2. Probably guilty	Otherwise why would they be arrested?
112	Yes	Family and landowners where the pipeline is going through. I know a deputy sheriff.	Don't know	I really don't know because I think they are probably innocent until proven guilty in court. But I know a lot of them had their charges dropped already.
113	No	N/A	Don't know	N/A
114	No	N/A	1. Definitely guilty	Because they are all doing wrong.

Number	22. Do you thing you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
104	Yes	I can see and understand both sides and I am never quick to cast judgement.	I think that all the peaceful protesting is fine. But now people and families are getting harassed and scared to be on their own property.
105	No	N/A	I'm completely against all of the protesters. I just don't like any of it.
106	No	N/A	I have grown to hate all Indians. I just want everyone to go home. They are all guilty and they should get the hell out of there.
107	Don't know	N/A	I could try to be a fair juror but I've also got my mind made up about a lot of it. I you hear anyone that agrees with what's happening they are being completely Unrealistic.
108	Don't know	N/A	I'd find them guilty. Just that I hope it will finally be over with.
109	No	N/A	Absolutely not! (be fair juror) Because we've been threatened. Our cattle have been threatened. Our fences have been cut and they've trespassed on our private property. I just want it done. I want the pipeline to be built and everyone to go home.
110	Yes	I think I can be fair and reasonable. I would have to listen to all the hard evidence.	There is so much negativity towards North Dakota right now that it is just disheartening.
111	Don't know	N/A	It's hard because of what you read in the newspaper and see on TV and then you'd have to listen to completely different things. I just don't understand a lot of it and why the Natives are causing these issues.
112	No	N/A	I think I'm pretty "partial" to everything right now. I think they should be transporting it all by railway and not a pipeline.
113	Yes	I have nothing against anyone and will always be fair no matter what it is.	No, I just don't really know that much about them.
114	No	N/A	They are destroying things on private land and I pretty much have my mind made up. I think I've said everything I can.

120	It started about the pipeline going across tribal lands and it escalated to much more than that issue alone. People are coming here from other places.	Yes	One woman from another state fired a weapon towards a police officer and she was arrested. People are being violent and doing unlawful things.
121	I know they are expanding to people not from here that don't belong here.	Yes	There should be more arrests for blocking the roads.
122	That they don't want the pipeline.	Yes	That the security guards would side drop on the protesters.
123	They need to go home.	Yes	They have no respect for the land or equipment. They are causing problems. The woman who lost her arm should not have had a bomb.
124	It's everywhere. It's had a lot of violence.	Yes	There have been a lot of arrests that only resulted in fines. One person was robbed with a propane torch.
125	There is too much white man money where it doesn't belong. I heard that in Fargo they were offering \$50 a head or \$1000 if they quit their jobs and protested for George Soros.	Yes	The protests have cost our county millions (10 to 12) of dollars. They burned National Guard vehicles on the bridge. These are the bought-out protesters. The Indians are still doing their prayer circles. We put them in high schools up in Mandan for the blizzard where 45 of them got thrown out because of inciting violence in the gymnasium.

124	Yes	Yes	Yes	Yes	The fact that they are not peaceful. They are comparing themselves to Black Lives Matter.
125	Yes	Yes	No	No	We talk about how ridiculous the out-of-state and paid protesters are misdirecting the media. They started a Go-Fund-Me group and raised a million on the first day.

120	No	N/A	2. Probably guilty	I feel that law enforcement is doing what they need to be doing and are arresting those who are doing things illegal.

124	No	N/A	2. Probably guilty	Because the police do not arrest innocent people.
125	Yes	I am a ham radio operator and our group was used as a back-up and now has a public service for the protests coverage by law enforcement.	2. Probably guilty	From what I know, I can't divulge any information because it is involved with law enforcement and it's private.

Number	22. Do you thing you could be a fair juror?	22a. Why is it that you feel this way?	23. Is there anything else you would like to add?
115	Yes	I work with all cultures of people and I'd have no trouble.	Nope, that's it.
116	No	N/A	This is such a small county and everyone knows everyone. With this weather now, it's just getting to be a dangerous situation.
117	Yes	I feel that I haven't heard everything and I could definitely have an open mind.	I don't think so.
118	No	N/A	I think it would be hard for me to be impartial because I believe in the right to protest. I'm not really one to judge anyone about what they do.
119	No	N/A	I work at a refinery so I'd be a little biased. I just don't want anyone to know I answered these questions.
120	Don't know	N/A	It would depend on what the crime was. I am not biased at all this. I hope that people understand that most of the people in North Dakota are peaceful. There are many misconceptions.
121	No	N/A	I think it has gone beyond the protests . I want to hang them all. Obama should have sent the US Marshalls.
122	Yes	Because everyone deserves a fair trial to be heard.	No.

Number	3. What do you remember reading or hearing.	5. Have you read or heard anything about protesters being arrested?	6. What do you remember reading or hearing about arrested protesters?
126	I have read and seen things every day. If the Governor and Archambault would just have everyone leave right away. They are just disrupting everyone's lives. The President also should have done something about it. I'm just glad that no one has died yet. That's what scares me.	Yes	I have read about that they were protesting at Wells Fargo Bank and trespassing. The protesters came into Mandan on thanksgiving and paraded around with a pig's head on a stick and then left the pig's head and left a mess for the police to clean up after. I think that about 33 people were arrested at the mall the day after Thanksgiving for protesting and approaching people and not letting people shop.
127	Oh, gosh. Numerous things. I do not even know where to start. I have heard of vandalism, the protesters started things on fire, wrecked a bridge, killed cattle and many other things.	Yes	The ones that tied themselves to machinery so that the machines were not able to be used. I do not recall a lot.
128	They all need to go home. Because of the crap they are doing like terrorizing our police officers and residents. They are spreading lies and that the government is making it snow. It is not the government making it snow.	Yes	There has been over 500 arrests since they started. Over 80 percent of the protesters arrested are not from North or South Dakota.
129	I hear a bunch of stuff. I have seen them protesting by the banks. I have seen law enforcement videos of protesters - harassing and attacking law enforcement. They got a couple bad apples in the bunch that turned violent.	Yes	Only what is on TV. I only seen where they were talking them down - arresting them. I think law enforcement did a good job.

My friend had a gun and pulled it out and told them to leave and they did.	1. Definitely guilty	There is so many videos with proof of the police officers trying to control chaos.
